## *Provisional Directory of* RATEPAYERS' ASSOCIATIONS OF TORONTO

(As of November 17th, 1925)

*This list is in process of revision and is probably  
somewhat incomplete.*

Every taxpayer in Toronto should be an active member of the Ratepayers' Association or other citizen organization of his, or her, neighborhood. In their meetings every taxpayer can keep in touch with civic affairs and become acquainted with members or those aspiring to be members of the City Council, Board of Education, etc.

Thirty million dollars, contributed in general taxes, special taxes, water rates, license fees, etc. by the citizens of Toronto, are spent annually on community services in addition to other large sums spent from rates, fares and charges by appointive "Outside Boards".

Some of your money is spent for these services. Some of the services are on your behalf. Can you afford to neglect any opportunity to get in touch with the largest business in which you are a shareholder?
