BUREAU OF MUNICIPAL RESEARCH

Founded in 1914 by a group of public-spirited citizens; operated since then under provincial charter as a non-partisan, non-profit organization; staffed by full-time qualified personnel; the Bureau keeps local government operations in greater Toronto under constant scrutiny.

The Bureau has gained general acceptance as an effective proponent of good government through its bulletin *Civic Affairs*, the publicity given to its reports and recommendations, its recognized information and advisory services, and the performance by its staff in voluntary civic undertakings.

The Bureau is financed entirely by voluntary annual subscriptions from non-governmental sources. Its membership includes business and professional firms, organizations and individuals.
